Welcome

Thank you for choosing **Aetna**.

This is your booklet-certificate. It is one of three documents that together describe the benefits covered by your **Aetna** plan in network and out of network coverage.

This booklet-certificate will tell you about your **covered benefits** – what they are and how you get them. If you become covered, this booklet-certificate becomes your certificate of coverage under the **group policy**, and it replaces all certificates describing similar coverage that we sent to you before. The second document is the schedule of benefits. It tells you how we share expenses for **eligible vision services** and tells you about limits – like when your plan covers only a certain number of visits.

The third document is the **group policy** between **Aetna Life Insurance Company** (“**Aetna**”) and your **policyholder**. Ask the **policyholder** if you have any questions about the **group policy**.

Sometimes, these documents have amendments, inserts or riders which we will send you. These change or add to the documents they’re part of. When you receive these, they are considered part of your **Aetna** plan of coverage.

Where to next? Try the *Let’s get started!* section. *Let’s get started!* gives you a summary of how your plan works. The more you understand, the more you can get out of your plan.

Welcome to your **Aetna** plan.

 Schedule of benefits	 Issued with your booklet-certificate

Let's get started!

Here are some basics. First things first – some notes on how we use words. Then we explain how your plan works so you can get the most out of your coverage. But for all the details – and this is very important – you need to read this entire booklet-certificate and the schedule of benefits. And if you need help or more information, we tell you how to reach us.

Some notes on how we use words

- When we say “you” and “your”, we mean both you and any covered dependents.
- When we say “us”, “we”, and “our”, we mean **Aetna**.
- Some words appear in **bold** type. We define them in the *Glossary* section.

Sometimes we use technical vision language that is familiar to **vision providers**.

What your plan does – providing covered benefits

Your plan provides **covered benefits**. These are **eligible vision services**. Your plan has an obligation to pay for **eligible vision services**.

How your plan works – starting and stopping coverage

Your coverage under the plan has a start and an end. You start coverage after you complete the eligibility and enrollment process. To learn more see the *Who the plan covers* section.

Your coverage typically ends when you leave your job. Family members can lose coverage for many reasons, such as growing up and leaving home. To learn more see the *When coverage ends* section.

Ending coverage under the plan doesn't necessarily mean you lose coverage with us. See the *Special coverage options after your plan coverage ends* section.

How your plan works while you are covered in-network

Your in-network coverage helps you:

- Get and pay for a lot of – but not all – vision care services. These are **eligible vision services**.
- Pay less cost share when you use a **network provider**.

1. Eligible vision services

So what are **eligible vision services**? They are vision care services that meet these three requirements:

- They appear in the *Eligible vision services under your plan* section.
- They are not listed in the *What your plan doesn't cover – eligible vision service exclusions* section.
- They are not beyond any limits in the schedule of benefits.

2. Providers

Our network of **vision providers** are there to give you the care you need. You can find **network providers** and see important information about them most easily on our online **vision provider directory**. Just log into your secure member website at www.aetna.com.

You have the freedom to choose a **vision provider** who is not in the vision network. Your plan often will pay a bigger share for **eligible vision services** that you get through a **network provider**.

For more information about the network and the role of your **vision provider**, see the *Who provides the care* section.

You will not have to submit claims for treatment received from network **vision providers**. Your network **vision provider** will take care of that for you. And we will directly pay the network **vision provider** for what the plan owes.

Your in-network coverage means:

- You are responsible for any **copayment** shown in the schedule of benefits.
- The plan will pay for **covered expenses**, up to the maximum shown in the schedule of benefits. You are responsible for any expenses over the maximum.

3. Paying for eligible vision services— sharing the expense

Generally your plan and you will share the expense of your **eligible vision services** when you meet the general requirements for paying.

But sometimes your plan will pay the entire expense; and sometimes you will. For more information see the *What the plan pays and what you pay* section, and see the schedule of benefits.

How your plan works while you are covered out-of-network

You have coverage when you want to get your care from **providers** who are not part of the **Aetna** network under your plan. It's called out-of-network coverage.

Your out-of-network coverage:

- Means you may have to pay for services at the time that they are provided. You may be required to pay the full charges and submit a claim for reimbursement to us. You are responsible for completing and submitting claim forms for reimbursement of **eligible vision services** that you paid directly to a **provider**.
- Means you will pay a higher cost share when you use an **out-of-network provider**.

You will find details on:

- **Out-of-network providers** and any exceptions in the *Who provides the care* section.
- Cost sharing in the *What the plan pays and what you pay* section, and your schedule of benefits.
- Claim information in the *When you disagree - claim decisions and appeals procedures* section.

How to contact us for help

We are here to answer your questions. You can contact us by:

- Logging onto your secure member website at www.aetna.com.
- Register for our secure Internet access to reliable vision information, tools and resources

Online tools will make it easier for you to make informed decisions about your vision care, view claims, research care and treatment options, and access information. You can also search for names and locations of **vision providers**.

You can also contact us by:

Your member ID card

Your member ID card tells **vision providers** that you are covered by this plan. Show your ID card each time you get vision care from a **provider** to help them bill us correctly and help us better process their claims.

Remember, only you and your covered dependents can use your member ID card. If you misuse your card we may end your coverage.

We will mail you your ID card. If you haven't received it before you need **eligible vision services**, or if you've lost it, you can print a temporary ID card. Just log into your secure member website at www.aetna.com.

Pay your cost share

You are responsible for paying any copayments for benefits. Additionally, you are financially responsible for vision care expenses not covered under this booklet-certificate, including but not limited to those vision care services and supplies listed under *What your plan doesn't pay for*.

Who the plan covers

You will find information in this section about:

- Who is eligible
- When you can join the plan
- Who can be on your plan (who can be your dependent)
- Adding new dependents
- Special times you and your dependents can join the plan

Who is eligible

Your **policyholder** decides and tells us who is eligible for vision care coverage.

When you can join the plan

As an employee you can enroll yourself and your dependents:

- At any time
- Once each Calendar Year during the annual enrollment period
- At other special times during the year (see the *Special times you and your dependents can join the plan* section below)

If you do not enroll yourself and your dependents when you first qualify for vision benefits, you may have to wait until the next annual enrollment period to join.

Who can be on your plan (who can be your dependent)

If your plan includes coverage for dependents, you can enroll the following family members on your plan. (They are your “dependents”.)

- Your legal spouse
- Your dependent children – your own or those of your spouse
 - Who are under age 26. If age 26 or over, the child must be unmarried with no dependents of their own.
 - They are students and solely depend on your support, and they include your:
 - Biological children
 - Stepchildren
 - Legally adopted children, including any children placed with you for adoption
 - Foster children
 - Children you are responsible for under a qualified medical support order or court-order (whether or not the child resides with you)
 - Grandchildren in your court-ordered custody
 - A grandchild whose parent is a covered dependent under this plan

Effective date of coverage

Your coverage will be in effect at 12:01 a.m. on the member effective date.

Important note: You may continue coverage for a disabled child past the age limit shown above. See *Continuation of coverage for other reasons* in the *Special coverage options after your plan coverage ends* section for more information.

You can't have coverage as an employee and a dependent and you can't be covered as a dependent of more than one employee on the plan.

Adding new dependents

You can add the following new dependents any time during the year:

- A spouse - If you marry, you can put your spouse on your plan.
 - We must receive your completed enrollment information not more than 31 days after the date of your marriage.
 - Ask your **policyholder** when benefits for your spouse will begin:
 - If we receive your completed enrollment information by the 15th of the month, coverage will be effective no later than the first day of the following month.
 - If we received your completed enrollment information between the 16th and the last day of the month, coverage will be effective no later than the first day of the second month.
- A newborn child or grandchild – Your or your spouse’s newborn child or grandchild is covered on your vision plan from the moment of birth for the first 31 days after birth.
 - To keep your newborn covered, we must receive your completed enrollment information within 60 days of birth.
 - You must still enroll the child within 60 days of birth even when coverage does not require payment of an additional **premium** contribution for the covered dependent.
 - If you miss this deadline, you will still be responsible for any additional **premium** charges due effective from the date of birth.
- A newborn child of a covered dependent other than that of your spouse is covered for 18 months from the date of birth. At the end of the 18 month period, coverage for the newborn will be terminated. You must enroll the newborn within 60 days of the date of birth.
- An adopted child - See *Who can be on your plan (who can be a dependent)* section for more information. An adopted child is covered on your plan for the first 31 days from the moment of birth or from the moment placed for adoption. “Placed for adoption” means the assumption and retention of a legal obligation for total or partial support of a child in anticipation of adoption of the child.
 - To keep your adopted child covered, we must receive your completed enrollment information within 60 days after the adoption or the date the child was placed for adoption.
 - If you miss this deadline, you will be responsible for any additional **premium** charges due effective from the date the authority to control the child’s health care is granted.
- A foster child – A foster child is covered on your plan for the first 31 days after obtaining legal responsibility as a foster parent. A foster child is a child whose care, comfort, education and upbringing is left to persons other than the natural parents.
 - To keep your foster child covered, we must receive your completed enrollment information within 60 days after the date the child is placed with you.
 - If you miss this deadline, you will be responsible for any additional **premium** charges due after the first 31 days from the date the authority to control the child’s health care is granted.
- A stepchild - You may put a child of your spouse on your plan.
 - You must complete your enrollment information and send it to us within 31 days after the date of your marriage with your stepchild’s parent.
 - Ask your **policyholder** when benefits for your stepchild will begin. It is the date of your marriage or the first day of the month following the qualifying event date.

Inform us of any changes

It is important that you inform us of any changes that might affect your benefit status. This will help us effectively deliver your benefits. Please contact us as soon as possible with changes such as:

- Change of address or phone number
- Change in marital status
- Change of covered dependent status
- A covered dependent who enrolls in any other group vision plan.

Special times you and your dependents can join the plan

You can enroll in these situations when:

- You have added a dependent because of marriage, birth, adoption or foster care. See the *Adding new dependents* section for more information.
- You become a citizen, national or lawfully present in the United States.
- You did not enroll in this plan before because:
 - You were covered by another group vision plan, and now that other coverage has ended
 - You had COBRA, and now that coverage has ended
- A court orders you cover a current spouse or a child on your vision plan.

We must receive your completed enrollment information from you within 31 days of the event or the date on which you no longer have the other coverage mentioned above.

Effective date of coverage

Your coverage will be in effect at 12:01 am on the first date of the month based on when we receive your completed enrollment application.

Eligible vision services under your plan

Eligible vision services include services provided by an ophthalmologist or optometrist.

You may get vision services and supplies from any **vision providers** in our network. Your out-of-pocket costs will usually be lower when you use **network providers**. Some services and supplies may only be covered when provided by a **network provider**. Refer to your schedule of benefits for more information.

You may use **out-of-network vision providers** of your choice for covered vision services and supplies under this plan. Your costs will be higher when you use **vision providers** who are not in our network.

Eye exam

Eligible vision services include:

- Routine/comprehensive eye exam by an ophthalmologist or optometrist to diagnose or identify existing conditions of the eye or vision. This includes:
 - Case history
 - General patient observation
 - Clinical and diagnostic testing and evaluation, including dilation
 - Refraction
 - Color vision testing
 - Stereopsis testing
 - Case presentation

Vision care services and supplies

Eligible vision services and supplies include those prescribed for the first time and those required because of a change in **prescription**. These include:

- Eyeglass frames, **prescription** lenses or **prescription** contact lenses that are identified by a **vision provider**
- Non-conventional **prescription** contact lenses that are required to correct visual acuity to 20/40 or better in the better eye and that correction cannot be obtained with conventional lenses or Aphakic **prescription** lenses prescribed after cataract **surgery** has been performed

In any one 12 consecutive month period, this benefit will cover **prescription** lenses for eyeglass frames or **prescription** contact lenses, but not both.

What your plan doesn't cover –eligible vision service exclusions

We already told you about the many vision care services and supplies that are eligible for coverage under your plan in the *Eligible vision services under your plan* section. In that section, we also told you that some vision care services and supplies have exceptions. For example, **cosmetic** surgery is never covered. This is an exception.

In this section we tell you about the exceptions that apply to your plan.

And just a reminder, you'll find benefit and coverage limitations in the schedule of benefits.

Who provides the care

Just as the starting point for coverage under your plan is whether the services and supplies are **eligible vision services**, the foundation for getting covered care is the network. This section tells you about **network providers** and **out-of-network providers**.

Network providers

We have contracted with **vision providers** to provide **eligible vision services** and supplies to you. These **vision providers** make up the network for your plan. For you to receive the network level of benefits you must use **network providers** for **eligible vision services**.

You may select a **network provider** from the **directory** or by logging on to our website at www.aetna.com. You can search our online **directory** for names and locations of **vision providers**.

You will not have to submit claims for treatment received from **network providers**. Your **network provider** will take care of that for you. And we will directly pay the **network provider** for what the plan owes.

We will tell you what we have paid for **eligible vision services** and supplies. We will tell you if you owe any amounts or if any services or supplies are not covered. You can receive this from us by e-mail or through the mail.

Out-of-network providers

You also have access to **out-of-network providers**. This means you can receive **eligible vision services** from an **out-of-network provider**. If you use an **out-of-network provider** to receive **eligible vision services**, you will pay more.

You will have to submit claims for treatment received from **out-of-network providers**.

What the plan pays and what you pay

Who pays for your **eligible vision services** – this plan, both of us, or just you? That depends. This section gives the general rule and explains these key terms:

- Your **copayments**
- Your out of network scheduled limit
- Your **maximum allowance** listed in your schedule of benefits.

We also remind you that sometimes you will be responsible for paying the entire bill - for example, if you get care that is not an **eligible vision service**.

Special financial responsibility

You are responsible for the entire expense of cancelled or missed appointments.

Neither you nor we are responsible for:

- Charges for which you have no legal obligation to pay
- Charges that would not be made if you did not have coverage.

Where your schedule of benefits fits in

How your copayment works

Your **copayment** is the amount you pay for **eligible vision services**. Your schedule of benefits shows you which **copayment** you need to pay for specific **eligible vision services**.

How your out-of-network scheduled limit works

This means that the plan reimburses a benefit up to the scheduled limit.

How your maximum allowance works

The **maximum allowance** is the most your plan will pay for **eligible vision services** incurred by a covered person per **Benefit Period**. You are responsible for any amounts above the **maximum allowance**.

Important note:

See the schedule of benefits for any **copayments, maximum allowance, scheduled limits and visit limits** that may apply.

When you disagree - claim decisions and appeals procedures

In the previous section, we explained how you and we share responsibility for paying for your **eligible health services**.

When a claim comes in, we review it, make a decision and tell you how you and we will split the expense. We also explain what you can do if you think we got it wrong.

Claim procedures

You or your **vision provider** are required to send us a claim in writing. You can request a claim form from us. We will review that claim for payment to the **vision provider** or to you as appropriate.

Notice	Requirement	Deadline
Submit a claim	<ul style="list-style-type: none"> • You should notify us in writing within 20 days and request a claim form from us. • The notice should include your name, or the name of the claimant if other than the insured, and the policy number • The claim form will provide instructions on how to complete and where to send the form(s). • If we do not provide you with a claim form within 15 days, you may meet the proof of loss requirements by giving us a written statement of the nature and extent of your loss within the time limit stated in Proofs of loss 	<ul style="list-style-type: none"> • You must send us notice and proof within 90 days. • If you are unable to complete a claim form, you may send us: <ul style="list-style-type: none"> – A description of services – Bill of charges – Any medical documentation you received from your vision provider • We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible
<p>Proof of loss (claim)</p> <p>When you have received a service from an eligible vision provider, you will be charged.</p> <p>The information you receive for that service is your proof of loss.</p>	<ul style="list-style-type: none"> • A completed claim form and any additional information required by us. 	<ul style="list-style-type: none"> • You must send us written notice and proof within 90 days after loss. • Proof of loss may not be given later than 1 year after the time proof is otherwise required, except if you are legally unable to notify us.

Benefit (claim) payment	<ul style="list-style-type: none"> • Written proof must be provided for all benefits. • If any portion of a claim is contested by us, the uncontested portion of the claim will be paid promptly after the receipt of proof of loss. • Upon written notification by you, we will investigate any claim of improper billing by a vision provider. We will determine if you or your covered dependent were properly billed for only those procedures and services that you or your covered dependent actually received. If we determine that you or your covered dependent were improperly billed, we will notify you and the vision provider of our findings and we will reduce the amount of payment to the vision provider by the amount determined to be improperly billed. If a reduction is made due to such notification by you or your covered dependent, we will pay you or your covered dependent 20% of the amount of the reduction up to \$500. 	<ul style="list-style-type: none"> • Benefits (claims) will be paid as soon as the necessary proof to support the claim is received.
-------------------------	---	---

If, through no fault of your own, you are not able to meet the deadline for filing a claim, your claim will still be accepted if it is filed as soon as possible. Unless you are legally incapacitated, late claims will not be covered if they are filed more than 2 years after the deadline.

Communicating our claim decisions

The amount of time that we have to tell you about our decision on a claim is shown below.

Post-service claim

A post service claim is a claim that involves health care services you have already received.

Type of notice	Post-service claim
Initial decision by us	30 days
Extensions	15 days
If we request more information	30 days
Time you have to send us additional information	45 days

Adverse benefit determinations

Sometimes we pay only some of the claim. And sometimes we don't pay at all. Any time we don't pay even part of the claim that is an "adverse benefit determination" or "adverse decision". It is also an "adverse benefit determination" if we rescind your coverage entirely.

Rescission means you lose coverage going forward and going backward. If we paid claims for your past coverage, we will want the money back.

If we make an adverse benefit determination, we will tell you in writing.

The difference between a complaint and an appeal

A Complaint

You may not be happy about a **vision provider** or an operational issue, and you may want to complain. You can call or write Member Services. Your complaint should include a description of the issue. You should include copies of any records or documents that you think are important. We will review the information and provide you with a written response within 30 calendar days of receiving the complaint. We will let you know if we need more information to make a decision.

An Appeal

You can ask us to review an adverse benefit determination. This is called an appeal. You can appeal to us verbally or in writing.

Appeals of adverse benefit determinations

You can appeal our adverse benefit determination. We will assign your appeal to someone who was not involved in making the original decision. You must file an appeal within 180 calendar days from the time you receive the notice of an adverse benefit determination.

You can appeal by sending a written appeal to the address on the notice of adverse benefit determination. Or you can call Member Services at the number shown on your ID card. You need to include:

- Your name
- The policyholder's name
- A copy of the adverse benefit determination
- Your reasons for making the appeal
- Any other information you would like us to consider

Another person may submit an appeal for you, including a **vision provider**. That person is called an authorized representative. You need to tell us if you choose to have someone else appeal for you (even if it is your **vision provider**). You should fill out an authorized representative form telling us that you are allowing someone to appeal for you. You can get this form by contacting us. You can use an authorized representative at any level of appeal.

You can appeal two times under this plan. If you appeal a second time you must present your appeal within 60 calendar days from the date you receive the notice of the first appeal decision.

Timeframes for deciding appeals

The chart below shows a timetable view of the type of notice and how much time we have to tell you about our decision.

Type of notice	Post-service appeal
Initial decision by us	30 days
Extensions	15 days
If we request more information	30 days
Time you have to send us additional information	45 days

Exhaustion of appeals process

In most situations you must complete the one level of appeal with us before you can take these other actions:

- Contact the Florida Office of Insurance Regulation to request an investigation of a complaint or appeal.
- File a complaint or appeal with the Florida Office of Insurance Regulation.
- Appeal through an external review process.
- Pursue arbitration, litigation or other type of administrative proceeding.

Recordkeeping

We will keep the records of all complaints and appeals for at least 10 years.

Fees and expenses

We do not pay any fees or expenses incurred by you in pursuing a complaint or appeal.

Coverage can end for a number of reasons. This section tells you how and why coverage ends. And when you may still be able to continue coverage.

Coverage for your dependent will end if:

- Your dependent is no longer eligible for coverage
- The **group policy** ends

- Your coverage ends for any of the reasons listed above

What happens to your insured dependents if you die?

Coverage for dependents may continue for some time after your death. See the *Special coverage options after your plan coverage ends* section for more information.

Why would we end you and your dependent's coverage?

We will give you 45 days advance written notice before we end your coverage because you commit fraud or intentionally misrepresent yourself when you applied for or obtained coverage. You can refer to the *General provisions – other things you should know* section for more information on rescissions.

On the date your coverage ends, we will refund to your **policyholder** any prepayments for periods after the date your coverage ended.

Special coverage options after your plan coverage ends

This section explains options you may have after your coverage ends under this plan. Your individual situation will determine what options you will have.

Consolidated Omnibus Budget Reconciliation Act (COBRA) Rights

What are your COBRA rights?

COBRA gives some people the right to keep their vision coverage for 18, 29 or 36 months after a “qualifying event”. COBRA usually applies to **policyholders** of group sizes of 20 or more.

Here are the qualifying events that trigger COBRA continuation, who is eligible for continuation and how long coverage can be continued.

Qualifying event causing loss of coverage	Covered persons eligible for continued coverage	Length of continued coverage (starts from the day you lose current coverage)
Your active employment ends for reasons other than gross misconduct	You and your dependents	18 months
Your working hours are reduced	You and your dependents	18 months
You divorce or legally separate and are no longer responsible for dependent coverage	Your dependents	36 months
You become entitled to benefits under Medicare	Your dependents	36 months
Your covered dependent children no longer qualify as dependent under the plan	Your dependent children	36 months
You die	Your dependents	36 months
You are a retiree eligible for retiree vision coverage and your former policyholder files for bankruptcy	You and your dependents	18 months

When do I receive COBRA information?

The chart below lists who is responsible for giving the notice, the type of notice they are required to give and when.

How can you extend the length of your COBRA coverage?

The chart below shows qualifying events after the start of COBRA (second qualifying events):

Qualifying event	Person affected (qualifying beneficiary)	Total length of continued coverage
Disabled within the first 60 days of COBRA coverage (as determined by the Social Security Administration)	You and your dependents	29 months (18 months plus an additional 11 months)
<ul style="list-style-type: none">You dieYou divorce or legally separate and are no longer responsible for dependent coverageYou become entitled to benefits under MedicareYour covered dependent children no longer qualify as dependent under the plan	You and your dependents	Up to 36 months

How do you enroll in COBRA?

You enroll by sending in an application and paying the **premium**. The **policyholder** has 30 days to send you a COBRA election notice. It will tell you how to enroll and how much it will cost. You can take 60 days from the qualifying event to decide if you want to enroll. You need to send your application and pay the **premium**. If this is completed on time, you have enrolled in COBRA.

When is your first premium payment due?

Your first **premium** payment must be made within 45 days after the date of the COBRA election.

How much will COBRA coverage cost?

For most COBRA qualifying events you and your dependents will pay 102% of the total plan costs. This additional 2% is added to cover administrative fees. If you apply for COBRA because of a disability, the total due will be 150% of the plan costs.

Can you add a dependent to your COBRA coverage?

You may add a new dependent during a period of COBRA coverage. They can be added for the rest of the COBRA coverage period if:

- They meet the definition of an eligible dependent.
- You notified the **policyholder** within 31 days of their eligibility.
- You pay the additional required **premiums**.

When does COBRA coverage end?

COBRA coverage ends if:

- Coverage has continued for the maximum period.
- The plan ends. If the plan is replaced, you may be continued under the new plan.
- You and your dependents fail to make the necessary payments on time.
- You or a covered dependent become entitled to benefits under Medicare.
- You or your dependents are continuing coverage during the 19th to 29th months of a disability, and the disability ends.

Continuation of coverage for other reasons

To request an extension of coverage, just call the toll-free Member Services number on your ID card.

How can you extend coverage for vision care services and supplies when coverage ends?

If your coverage ends while you are not totally disabled, your plan will cover vision services and supplies for eyeglasses and contact lenses within 30 days after your coverage ends if:

- A complete vision exam was performed in the 30 days before your coverage ended, and the exam included refraction.
- The exam resulted in contact or frame lenses being prescribed for the first time, or new contact or frame lenses ordered due to a change in **prescription**.

How can you extend coverage for your disabled child beyond the plan age limits?

You have the right to extend coverage for your dependent child beyond the plan age limits. If your disabled child:

- Is not able to be self-supporting because of intellectual or physical disability
- Depends chiefly on you for support and maintenance

The right to coverage will continue only as long as a **physician** certifies that your child still is disabled.

We may ask you to send us proof of the disability within 90 days of the date coverage would have ended. Before we extend coverage, we may ask that your child get a physical exam. We will pay for that exam.

We may ask you to send proof that your child is disabled after coverage is extended. We won't ask for this proof more than once a year. You must send it to us within 31 days of our request. If you don't, we can terminate coverage for your dependent child.

General provisions – other things you should know

Administrative provisions

How you and we will interpret this booklet-certificate

We prepared this booklet-certificate according to ERISA, and according to other federal laws and state laws that apply. You and we will interpret it according to these laws. Also, you are bound by our interpretation of this booklet-certificate when we administer your coverage, so long as we use reasonable authority.

How we administer this plan

We apply policies and procedures we've developed to administer this plan.

Who's responsible to you

We are responsible to you for what our employees and other agents do.

We are not responsible for what is done by your **vision providers**. They are not our employees or agents.

Coverage and services

Your coverage can change

Your coverage is defined by the **group policy**. This document may have amendments or riders too. Under certain circumstances, we or your **policyholder** or the law may change your plan. Only we may waive a requirement of your plan. No other person – including your **policyholder** or **vision provider** – can do this.

If a service cannot be provided to you

Sometimes things happen that are outside of our control. These are things such as natural disasters, epidemics, fire and riots.

We will try hard to get you access to the services you need even if these things happen. But if we can't, we may refund you or your **policyholder** any unearned **premium**.

Financial sanctions exclusions:

If coverage provided under this booklet-certificate violates or will violate any economic or trade sanctions, the coverage will be invalid immediately. For example, we cannot pay for **eligible vision services** if it violates a financial sanction regulation. This includes sanctions related to a person or a country under sanction by the United States, unless it is allowed under a written license from the Office of Foreign Asset Control (OFAC). You can find out more by visiting <http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx>.

Legal action

You are encouraged to complete the appeal process before you take any legal action against us for any expense or bill until you complete the appeal process. You cannot take any action until 60 days after we receive written submission of claim.

No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Records of expenses

You should keep complete records of your expenses. They may be needed for a claim.

Things that would be important to keep are:

- Names of **physicians** and **vision providers** who provide services
- Dates expenses are incurred
- Copies of all bills and receipts.

Honest mistakes and intentional deception

Honest mistakes

You or your **policyholder** may make an honest mistake when you share facts with us. When we learn of the mistake, we may make a fair change in **premium** contribution or in your coverage. If we do, we will tell you what the mistake was. We won't make a change if the mistake happened more than 2 years before we learned of it.

Time limit on certain defenses

After two (2) years from the issue date, only fraudulent misstatements in the application may be used to void the policy or deny any claim for loss incurred or disability starting after the two (2) year period.

Intentional deception

If we learn that you defrauded us or you intentionally misrepresented material facts, we can take actions that can have serious effects on your coverage. These include, but are not limited to:

- Loss of coverage, starting at some time in the past.
- Loss of coverage going forward.
- Denial of benefits.
- Recovery of amounts we already paid.

We also may report fraud to criminal authorities.

Rescission means you lose coverage both going forward and going backward. If we paid claims for your past coverage, we will want the money back.

You have special rights if we rescind your coverage.

- We will give you 45 days advanced written notice of any rescission of coverage.
- You have the right to an **Aetna** appeal.

Some other money issues

Assignment of benefits

When you see a **network provider** they will usually bill us directly. When you see an **out-of-network provider**, we may choose to pay you or to pay the **provider** directly. Unless we have agreed to do so in writing and to the extent allowed by law, we will not accept an assignment to an **out-of-network provider** under this **group policy**.

This may include:

- The benefits due
- The right to receive payments or
- Any claim you make for damages resulting from a breach, or alleged breach, of the terms of this **group policy**.

To request assignment you must complete an assignment form. The assignment form is available from the **policyholder**. The completed form must be sent to us for consent.

Payment of claims

All benefits are payable to you. However, we have the right to pay any vision benefits to a **vision provider**. This will be done unless you have told us otherwise by the time you file the claim. Any other benefits unpaid at death may be paid, at the insurer's option, either to the insured's beneficiary or estate.

Recovery of overpayments

We sometimes pay too much for **eligible vision services** or pay for something that this plan doesn't cover. If we do, we can require the person we paid – you or your **vision provider** – to return what we paid. If we don't do that we have the right to reduce any future benefit payments by the amount we paid by mistake.

Premium contribution

This plan requires the **policyholder** to make **premium** payments. If payments are made through a payroll deduction with the **policyholder**, the **policyholder** will forward your payment to us. We will not pay benefits under this booklet-certificate if **premium** payments are not made. Any benefit payment denial is subject to our appeals procedure. See the *When you disagree - claim decisions and appeals procedures* section.

Payment of premiums

The first **premium** payment for this policy is due on or before your **effective date of coverage**. Your next **premium** payment will be due the 1st of each month ("**premium due date**"). Each **premium** payment is to be paid to us on or before the **premium due date**.

Your vision information

We will protect your vision information. We use and share it to help us process your claims and manage your policy. You can get a free copy of our Notice of Privacy Practices. Just call Member Services at the toll-free number on your ID card. When you accept coverage under this policy, you agree to let your **vision providers** share your information with us. We will need information about your physical and mental condition and care.

ERISA Rights

As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified domestic relations order (QDRO) or a qualified medical child support order (QMCSO).

Continue Group Health Plan Coverage

Continue health care coverage for yourself, your spouse, or your dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan for the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or
- the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington D.C. 20210.

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between Aetna and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue Health Expense Benefits for you and your eligible dependents.

At the time you request the leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

If Health Expense Benefits has reduction rules applicable by reason of age or retirement, Health Expense Benefits will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class. However, coverage for health expenses may be available to you under another plan sponsored by your Employer.

Any coverage being continued for a dependent will not be continued beyond the date it would otherwise terminate.

If Health Expense Benefits terminate because your approved FMLA leave is deemed terminated by your Employer, you may, on the date of such termination, be eligible for Continuation Under Federal Law on the same terms as though your employment terminated, other than for gross misconduct, on such date. If the group contract provides any other continuation of coverage (for example, upon termination of employment, death, divorce or ceasing to be a defined dependent), you (or your eligible dependents) may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you acquire a new dependent while your coverage is continued during an approved FMLA leave, the dependent will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.

If any coverage being continued terminates because your Employer determines the approved FMLA leave is terminated, any Conversion Privilege will be available on the same terms as though your employment had terminated on the date your Employer determines the approved FMLA leave is terminated.
