- **Copayment**
- **Scheduled limit**
- **Maximum allowance**

listed in this *Schedule of Benefits*.

Copayment

This is a specified dollar amount that must be paid by you at the time you receive **eligible vision services** from a **network provider**.

Scheduled limit

This is the most that the plan will reimburse for **eligible vision services** incurred by any one covered person from an **out-of-network provider**. You are responsible for any charges above the scheduled limit.

Maximum allowance

This is the most the plan will pay for **eligible vision services** incurred by any one covered person in a Benefit Period from an in-network provider. You are responsible for any charges above the **maximum allowance**.

Your financial responsibility and determination of benefits provisions

Your financial responsibility for the cost of services is based on your plan copayment or maximum benefit when the service or supply is provided, not when payment is made. Determinations regarding when benefits are covered are subject to the terms and conditions of the booklet-certificate.
